BIOGRAPHY

Juno nominated composer, songwriter, producer and multi-instrumentalist, Mario Vaira has had his music featured in big theatres and small living rooms in over 40 countries worldwide. Mario is constantly striving to bring honesty and truth to his compositions, and his works have been featured in many award winning productions including "Boar Attack" (Best Animated Short, Worldwide Short Film Festival), the OLN/NatGeo series "**Word Travels**" (Best Documentary Series nomination, Gemini Awards), and "Kodiak" (Portable Choice Award, Portable Film Festival).

A special focus for Mario's career has been music for children, as early mentorship in music had a profound affect on him at a young age. As sole producer and co-writer for the acclaimed musical duo **Bobs & Lolo**, he's been credited with three Juno nominations. He's received Western Canadian Music Awards and Parent's Choice Gold Medals, and has been a featured performer at the Vancouver International Children's Festival, the PNE, The Calgary Stampede, Juno Award Week, and The Pemberton Festival. He's shared the stage with Charlotte Diamond, Fred Penner, The Kerplunks, and Norman Foote. Last year he wrote all the songs for the **Leapfrog** series "Letter Factory Adventures".

Mario is currently scoring the CBC series **Hello Goodbye**.
