BIOGRAPHY

Blend the classically infused history of Eastern Europe with the experimental edge of Canadian indie rock and you have before you Todor Kobakov: composer, producer and missionary of genius gadgetry. Todor has 14 feature film scores to his credit, including **The Samaritan** (2012) - a dark thriller featuring Samuel L. Jackson for which Todor's work was praised by **Variety Magazine** ("Hollywood composers, take note"). Kobakov also scored **Cold Blooded**, a crime thriller that won the Audience Award at the 2012 Fantasia Film Festival. **The Husband**, (2013) directed by Bruce McDonald received critical acclaim at festivals worldwide and **Hellions**, also directed by Bruce McDonald made it's world premiere at Sundance this year (2015). Currently, you can hear Todor's brooding score to the Space/SyFy TV series **Bitten** which is now in it's third season.

A key player in Toronto's indie music scene, Todor has created transcendent string arrangements for the likes of Lights, Metric, Stars, Emily Haines, k-os, Dan Mangan, Lily Frost, Small Sins, Whitehorse and others. His recent collaboration was as orchestrator and conductor on Sarah Bareilles album, **The Blessed Unrest**, nominated for a **Grammy** in 2014- 'Album of the Year', running against fellow artists, Duff Punk, Macklemore & Lewis, Kendrick Lamar, & Taylor Swift. Todor's solo piano album debut, **Pop Music**, was released in 2010 to glowing critical acclaim ("A piano stylist in the gorgeous, whimsical form of Erik Satie" - Globe and Mail). A modern take on classical form, **Pop Music** features collaborations with Emily Haines, and Tunde Adebimpe of TV on the Radio. Todor regularly collaborates with some of Canada's top artists, co-scoring **Closet Monster** with Maya Postepski (of the group Austra). He also co-scored the feature films: **Born to Be Blue** (starring Ethan Hawke) and **The Steps**. All three films premiered at the 2015 Toronto International Film Festival. **Born to Be Blue** was awarded a CSA in 2017 - "Best Original Music for a Feature Film"

Todor currently composes the score to the hit CTV mini-series **Cardinal**, which was just renewed for 2 more cycles, and recently scored the BET mini-series **Madiba**. His latest feature film thriller, **Backstabbing For Beginners** (a Danish/Canadian co-production) is due for release later in 2017.
