BIOGRAPHY

Growing up in Sault Ste. Marie, Ont., composer Jeff Toyne studied piano, guitar and trombone, and soon discovered he had a penchant for writing original music. His academic background as a composer began at the Interlochen Center for the Arts, continued at the University of Western Ontario and the University of British Columbia where he earned his Masters degree. He furthered his studies in film scoring at the Mancini Institute and the post-graduate Scoring for Motion Pictures and Television program at the **University of Southern California**. At the same time, Jeff's musical experience as a performer and arranger was enhanced by playing in rock, blues, jazz and military "show" bands. Fun fact, he can trace his piano pedagogical history back to Beethoven!

As a successful contemporary composer, Jeff blends orchestral virtuosity with cutting-edge music technology, creating a unique voice for each project. His most recent film scores include **9/11** (2017), starring Charlie Sheen; and **Thom Pain (Based on Nothing)** (2017), which stars Rainn Wilson. His feature credits for independent cinema include **Life on the Line** (2015), starring John Travolta and Sharon Stone; and **Dirty Girl** (2011), starring Juno Temple, Milla Jovovich and William H. Macy. In addition to dramas and comedies, Jeff has scored such indie horror-thrillers as **The Privileged** (2013); **Blooded** (with Ilan Eshkeri, 2011); and **Shadow in the Trees** (2007).

Equally at home in episodic television as on the big screen, Jeff has scored multiple series for Direct TV: **Rogue** (2013-17), starring Thandie Newton (for which Jeff won the 2017 Leo Award for Best Musical Score in a Dramatic Series) **You Me Her** (2016-17), starring Rachel Blanchard and Greg Poehler, and **The Volunteers** (2017), produced by Ricky Schroder. He is currently scoring the dramatic series **Filthy Rich** (2020) for Fox Television.

Jeff has scored several award-winning features for Hallmark and Lifetime. The latter network's **Magic Beyond Words: The J.K. Rowling Story** (2011), starring Poppy Montgomery, won a Canadian Screen Award for Best Dramatic Mini-Series or TV Movie, while Jeff's work was nominated for Best Original Music Score for a Program. Hallmark's **Love Under the Stars** (2015) also brought Jeff a CSA nomination for Best Original Music.
